Papillon Carved

 Wooden bow tie is the new collection of wooden Papillon made by THE BARS, strictly made in Italy with high quality beech wood. We wanted to reinterpret the classic fashion accessories through a study and a search for alternative materials that combine elegance and style. The whole collection is made of natural beech wood without paintwork, so as to enhance the aesthetic qualities of wood, the versions are carved or engraved on the laser with geometric or artistic fantasy, the right touch of style suitable for every occasion.

 *La Wooden bow tie è la nuova collezione di Papillon in legno prodotta dalla THE BARS, rigorosamente fatti in Italia con legno di faggio di ottima qualità. Abbiamo voluto reinterpretare i classici accessori moda attraverso uno studio e una ricerca di materiali alternativi in grado di unire eleganza e stile. Tutta la Collezione è realizzata in legno di faggio naturale, senza verniciature, così da esaltare le qualità estetiche del legno, le versioni sono intagliate o incise al laser con fantasie geometriche o artistiche, quel giusto tocco di stile adatto ad ogni evenienza.*
